## **Re: Letter of Comfort - Advanced DBS Checks for Adults Accompanying Pupils**

I hope this letter finds you well. We wish to reaffirm our unwavering commitment to safeguarding the safety and well-being of the children and vulnerable adults in our care during all activities and outings, where they may be accompanied by staff from our organisation. In line with the key guidance set forth in the Keeping Children Safe in Education (KCSIE) 2024 document, we fully understand the critical importance of ensuring that all adults interacting with these individuals undergo comprehensive background checks to protect their welfare.

We are pleased to confirm that all adults accompanying children and vulnerable adults under our supervision have successfully completed enhanced Disclosure and Barring Service (DBS) checks, in strict adherence to the safeguarding guidelines outlined in KCSIE 2024.

At ReConnect, safeguarding is at the heart of everything we do. The completion of enhanced DBS checks is a fundamental aspect of our responsibility to provide a secure and protective environment. We deeply recognise the trust placed in us by families, guardians, and caregivers, and we remain steadfast in our commitment to upholding the highest standards of safeguarding.

If you require any further information or documentation regarding the DBS checks conducted for the adults accompanying our children and vulnerable adults, please do not hesitate to reach out. We are fully dedicated to transparency and open communication on all matters related to safeguarding.

Thank you for your attention to this important matter. We look forward to collaborating to ensure a safe and supportive environment for all individuals in our care.

The ReConnect Programme
